

ASHOVER PARISH COUNCIL
STATEMENT ON CLIMATE CHANGE

At the Ordinary Ashover Parish Council Meeting held on Tuesday 21 JULY 2020, the following resolution was passed:-

087/20 Climate Change

That Ashover Parish Council acknowledges that climate change is one of the largest challenges facing the world and also recognises that it is a key influencing body that can act on this. Therefore it is essential that this Parish Council helps to proactively facilitate the protection of our local environment, heritage and natural beauty. This needs to be delivered in a way that promotes sustainability, healthy living and also prosperity within the parish. Through this mutually sustainable approach to living in the parish, we can help ensure that it can continue to be enjoyed by future generations indefinitely.
